

Guidelines for grant of Certificate of Authorisation and grading and marking of organic agricultural produce.
(Issued as per the provision in Rule 9(5) of Organic Agricultural Produce Grading and Marking Rules, 2009)

Persons desirous of obtaining Certificate of Authorisation (C.A.) for the grading and marking of organic agricultural produce should be conversant with Agricultural Produce (Grading and Marking) Act, 1937, General Grading and Marking Rules, 1988, Organic Agricultural Produce Grading and Marking Rules, 2009 (referred as Rules hereafter), National Programme for Organic Production notified by the Director General of Foreign Trade, Ministry of Commerce and Industry, Government of India vide Notification No. 72 (RE-2003)/2002-2007 dated the 21st July, 2004, various Commodity Grading and Marking Rules notified under the provisions of the Act and Guidelines/Instructions issued by Agricultural Marketing Adviser or an officer authorised by him from time to time.

A) Procedure for grant of Certificate of Authorisation (C.A.) to Accredited Inspection and Certification Agency (AICA).

1. Any Accredited Inspection and Certification Agency (AICA) under the National Programme for Organic Production (NPOP) notified by the Director General of Foreign Trade vide Notification No. 72 (RE-2003)/2002-2007 dated the 21st July, 2004, shall be eligible to apply for grant of C.A.
2. The AICA shall apply to the Head Office of Directorate of Marketing & Inspection (DMI) at Faridabad in Form-1 along with the fee and documents specified in Annexure-A.
3. The AICA shall also submit the list of Licensed Operators along with copies of Licenses granted to each Licensed Operator (in Form-4) and duly filled in Form-5 of each Licensed Operator.
4. The AICA may have the facilities for the grading of agricultural commodities as per Specific Commodity Grading and Marking Rules. If such facilities are not available, the names of approved/proposed to be approved laboratories, the services of which it intends to utilise shall be given. The names of the approved/proposed to be approved laboratories for the purpose of testing to comply with various criteria under the NPOP shall also be given.
5. The application for grant of C.A. received in Head office will be examined for the submitted documents. The check list is at Annexure 'B'. If required, the matter may be referred to the Scrutiny Committee to be constituted by Agricultural Marketing Adviser, for examination.
6. The decision to grant C.A. would be taken within 45 days of the receipt of application complete in all respects.
7. The C.A. will be valid for three years but not later than the accreditation granted by the National Accreditation Body (NAB).

8. Application for renewal of C.A. shall be submitted by the C.A. holder to the concerned Regional Office of DMI, at least thirty days before the expiry of the authorization validity period of the C.A. The renewal shall be based on the past performance of the C.A. holder.
9. In the event of non-compliance or failure to fulfil the conditions by the C.A. holder, the Agricultural Marketing Adviser may apply one or more of the following sanctions, namely :
 - (a) Issue a warning letter or letter of reprimand;
 - (b) Impose additional conditions and insist for rectification within a specified time limit;
 - (c) Impose penalty, not only for non-compliance with conditions but also for being late or filing a deficient annual report;
 - (d) Suspend the authorisation;
 - (e) Refer the matter to the NAB and based on action taken by the NAB, take further appropriate action against the concerned agency.
10. In the event of suspension of authorisation, the Agricultural Marketing Adviser shall nominate any other C.A. holder to continue the work of certification in order to protect the interest of the licensed operators.
11. The Agricultural Marketing Adviser may terminate the authorisation status of a C.A. holder if its performance and conduct is not in accordance with the Authorisation criteria or the conditions laid down for the authorisation.
12. The applicant or an Authorised Inspection and Certification Agency may appeal against the decisions regarding authorisation or sanctions imposed upon including the termination order, as the case may be, before the Appeal Committee, constituted by the Central Government for this purpose. The appeals shall be filed within thirty days of the decision or order of the Agricultural Marketing Adviser. The decision of the Appeal Committee on an appeal shall be given within 90 days of its receipt and shall be final and binding on all concerned.

B) Guidelines for grant of License by C.A. holder (Approved Inspection and Certification Agency) to the Operator or Grower Group for the use of Certification Mark.

1. Requirements for grant of license to Operator or Grower Group by AICA as prescribed in NPOP shall be fulfilled.
2. The Operator or Grower Group shall apply to the C.A. holder in Form-3 for grant of license to use the Certification Mark under the Organic Agricultural Produce Grading and Marking Rules, 2009.
3. The Operator or Grower Group will submit the documents specified in Annexure-C.

4. The C.A. holder shall ensure that the premises where organic agricultural produce shall be packed is clean and hygienic and arrangements for processing, packing and marking are there.
5. The Trade Brand Label (TBL) proposed by the Licensed Operator or Grower Group will be taken in record by the C.A. holder.
6. On satisfaction, C.A. holder will issue License to the Operator or Grower Group in Form-4, a copy of which will be provided to the concerned Regional Office of DMI with duly filled in Form-5.

C) Procedure for Certification by C. A. holder (Approved Inspection and Certification Agency)

1. The Certification of all kinds of agricultural produce included in the Schedule under the Agricultural Produce (Grading & Marking) Act, 1937 can be carried out.
2. The C.A. holder shall comply with the procedure prescribed for certification including compliance of the standards for organic production and various other procedures including the procedures for inspection, certification, implementation of internal control systems, external inspections, evaluation of internal control systems, grant of license, etc., prescribed under NPOP. C.A. holder shall also ensure that all requirements of Organic Agricultural Produce Grading & Marking Rules and Specific Commodity Grading and Marking Rules are satisfied before the organic agricultural produce is packed in containers bearing Agmark India Organic Insignia including Grade as per Specific Commodity Grading and Marking Rules.
3. The organic agricultural produce (food commodities) shall, besides complying with the provisions of the NPOP, shall also comply with the minimum requirements for quality and residue levels of heavy metals, pesticides, aflatoxins and other food safety parameters as prescribed in Prevention of Food Adulteration Rules, 1955.
4. The C.A. holder shall utilise the services of laboratories approved by the Agricultural Marketing Adviser for the purpose of grading under Agmark and testing to comply with various criteria under NPOP.
5. The containers bearing Agmark India Organic insignia shall be printed in the printing press permitted for the purpose by DMI. Running replica serial numbers on each container are not required because all the produce grown organically is accounted for through documentation. The C.A. holder shall keep the record of all the containers printed with Agmark insignia and their use.
6. The organic agricultural produce shall be packed in gunny bags or jute bags, cloth bags or other suitable eco friendly packages. Such packages shall be

clean, sound, free from insect and fungal infestation. The packing material shall be of food grade quality as permitted under PFA Rules, 1955. Only approved additives mentioned in Appendix 6 of the NPOP shall be used for manufacturing of packaging films for packaging of organic products. The materials used shall not affect the organoleptic character of the product or transmit to it any substances in quantities that may be harmful to human health. The packing material should not impart undesirable odour or flavour to the produce.

7. Organic agricultural produce shall be packed in pack sizes as per the provisions in Specific Commodity Grading and Marking Rules. If not specified in Specific Commodity Grading and Marking Rules, the pack sizes shall be as per the provisions in The Standards of Weights and Measures (Packaged Commodities) Rules, 1977.
8. Each package shall contain Certified Organic Agricultural Produce of the same type and of the same grade designation.
9. Graded material of small pack sizes of the same lot or batch and grade may be packed in a master container with complete details thereon along with grade designation mark.
10. Each package shall be securely closed and sealed.
11. The grade designation mark (Agmark India Organic Insignia) shall be securely affixed to or printed on each package.
12. In addition to the marking and labelling requirements of NPOP, Specific Commodity Grading and Marking Rules and grade designation mark (Agmark India Organic Insignia), following particulars shall be clearly and indelibly marked on each package:
 - a) Name and address of the packer (Licensed Operator)
 - b) Place of packing or manufacturing
 - c) Date of packing
 - d) Lot or batch No.
 - e) Grade
 - f) Season of harvest
 - g) Net Weight
 - h) Maximum retail price
 - i) Best before ____Month ____Year.
13. The ink used for marking on the packages shall be of such quality which may not contaminate the produce.
14. Organic products shall be stored and handled separately to maintain their identity.
15. Storage areas and transport containers for organic products should be cleaned using methods and material permitted in organic production.

Measures should be taken to prevent possible contamination from any pesticide or any other treatment not listed in Appendix-2 of NPOP.

16. The product certificate shall be issued to the buyer in Form-6 by the certifier of the C.A. holder on the request of the licensed operators.
17. Where an infringement which affects the organic integrity is found, the C.A. holder shall ensure that the indication of certification (Agmark India Organic Insignia) is removed from the entire lot of the production run which is affected by the infringement concerned. The product certificate, if issued, shall be withdrawn in such cases. Where a violation is made by the licensed operator, the C.A. holder shall withdraw certification from the licensed operator for a specified period and inform about their decision to the concerned Regional Office of DMI.
18. The C.A. holder shall ensure that Agmark India Organic Insignia is not used by the Licensed Operator on produce which has not been processed as per the provisions of the Rules.
19. The C.A. holder shall have a clear policy for sanctions in the event of non-compliance by the group or individual licensed operators. In the event of non-compliance of Rules/Guidelines by the group or by individual licensed operators, Agricultural Marketing Adviser or an officer authorised by him may direct C.A. holder to suspend/cancel license granted to the Licensed Operator or Grower Group.
20. The C.A. holder on detection of non-compliance by the group or its individual licensed operators and failure of the internal control system, shall invoke sanctions on the group or individual licensed operators. The sanction includes withdrawn of certification of the whole group.
21. The C.A. holder shall submit a statement of organic agricultural produce certified every month to the concerned Regional Office of DMI in prescribed Performa (Annexure-D) alongwith the grading charges.
22. The C.A. holder shall submit to the Regional Office of DMI an annual report containing the turn over, financial, staff, number of projects certified, under certification and products certified for domestic market and exported in terms of quantity and value. The annual report shall also contain an updated report on recent developments in the Inspection and Certification Agencies Process, such as, the number of licensed operators certified, under conversion, geographical area of operation and changes in personnel, compliance report in which compliance with imposed conditions are reported, supported by documentary evidence.
